 Updated 7/21/06

- Current USDA Funding for ANCSA lands is 1% of the National per acre Average for total conservation funding through USDA agencies.
  - Equitable Access and Outreach could bring \$100 Million per year for Alaska Natural Resource Conservation
- Conservation Funding would:
- A. Provide for increased habitat improvement to restore moose populations
  - B. Provide millions of dollars of subsistence economy impact
  - C. Provide millions of dollars of recreational hunting impact
  - D. Provide enhancement of wildlife habitat that supports resource development
